

Scoped Rifle Shoot Course of Fire 26 April 2026

This Shoot is adaptable so be prepared in case there are changes on the day.

As we have a few butt changes then shooters should be prepared to get off the point quickly and to do their turn in the butts, maybe (probably) more than once.

Practice 1 300 yards

Targets to be a Fig 11, Fig 12, Fig 14

2 sighters on a handheld Fig 11

22 rounds total

10 Rounds at the Fig 11

5 Rounds at the Fig 12

5 Rounds at the Fig 14

1. Part 1 Fig 11 target will be exposed for 1 minute 30 seconds. 10 rounds
2. Part 2 Fig 12 will be exposed for 45 seconds 5 rounds
3. Part 3 Fig 14 will be exposed for 45 Seconds 5 rounds

The total score will be halved at this distance so the total is 50 so it is the same as the other distances.

Practice 2 500 yards

12 Rounds required

2 Sighters on the Fig 11

1. Part 1 Fig 11 target will be exposed 45 seconds 5 rounds
2. Part 2 Fig 12 target will be exposed for 45 seconds 5 rounds

Practice 3 600 yards

12 Rounds required

Electronic Target set to 500 yard target size

- 1 2 Sighters non-scoring. Monitor to be reset after the first shot
- 2 10 shots in 90 seconds

Range Officer to take the scores from the monitor.

The range will be available at 600 for anyone who wants to have a few rounds practice.
